Independence Day celebration on 15th August 2023

Vijay Rural Engineering College (VREC), celebrated Independence Day celebration on 15th August 2023. The students and faculty gathered in the ground. Flag hosting started at 9.30 am. The principal addressed to the students that i want you to know that this freedom is hard won by our great freedom fighters when they had not only shed their blood, but also sacrificed their lives and family. So, we should value this freedom to the utmost and never take it for granted. We celebrate this day because it was a historic moment for all the Indians, but amidst all this celebration there is something that ought to be done first and foremost, ie., paying homage to our great freedom fighters, such as Mahatma Gandhi, Shaheed Bhagat Singh, Subhash Chandra Bose
